

4-H Alberta's MONTHLY SCOOP

September 2017 CANADA
4-H Alberta

A century of celebration took place August 4 – 6, 2017 as 4-H members, parents, volunteers, alumni, staff and friends of the program gathered in Olds to reconnect, reminisce and remember at 4-H Centennial Fever.

Approximately 500 people from across the province took part in the three-day extravaganza which featured displays, activities and games, a history walk, reunion corner, talent show, and of course A LOT of socializing and laughter.

As well, a leadership luncheon was held to officially honour our 2016 4-H Alberta Hall of Fame inductees, Helen Andrews and Corine Verbeek, for their dedication to the 4-H program. The following ten Golden Clover awards were also handed out (recognizing the 10 decades of 4-H innovation in the province):

1917 - 1926 W.J Elliot - Olds College

1927 - 1936 Membership with 4-H Canada

1937 - 1936 4-H Alberta Personal Development Programs

1947 - 1956 Learn to Do By Doing

1957 - 1966 Government of Alberta, Alberta Agriculture, Premiers Award

1967 - 1976 Alberta 4-H Council

1977 - 1986 Alberta 4-H Centre, 4-H Foundation of Alberta

1987 - 1996 Cleaver the Beaver Mascot created by Shari Bakker(Machacek)

1997 - 2006 Souvenir Program - Lloyd Marshman & Talbot Marketing

2007 - 2017 - 4-H Members, Leader and Volunteer

The weekend culminated with a special concert featuring 4-H Alberta member Jessica Schnell, and recording artists Drew Gregory, Nice Horse and of course the Blake Reid Band – who wowed the crowd with a live version of their hit 4-H centennial song Room to Grow.

The enthusiasm, smiles and 4-H pride on display throughout the event was invigorating and contagious and reassured all that 4-H is in good hands as it sets off on its next 100 year journey.

Thank you to everyone who helped make this great event possible as well as everyone who has had a hand in creating the best youth leadership program in the province. Here's to 100 more!!!

What's Happening In The Calgary Region

Welcome Back!

It was great to see familiar faces throughout the summer at various events!

We are in the transition time from the 2016-2017 club year to the 2017-2018 club year. As we move into the new club year we will wrap up 4-H Alberta's centennial celebrations and look forward to "year 101".

I would like to take this moment to say a big **THANK-YOU** to those to who make the 4-H Alberta program a success. To the **District and Regional Council** members as well as the sub-committee members for raising your hand to and making sure members have an opportunity for fun and learning close to home. To the **District Key Leaders** for your amazing support of the 4-H program and the hours that you put in answering questions, assisting families with finding a 4-H club, assisting clubs with issues helping the district councils with their events.... and the list goes on! To the **Club Leaders** and **Project Leaders** you are the roots of our program who encourage, educate the **4-H members** at a very important level! To the 4-H Members, without you there would not be a 4-H program. Your enthusiasm and dedication are what drive all of the "adults" to keep going!

Thank you all for your part in making 4-H the success it is!

2:30 – 4:00 p.m. Select-a-session 3
4:00 – 4:15 p.m. Evaluations and Wrap-up

Session Schedule (subject to change)

Select-a-session 1

Diaries and Awards of Excellence – What are they? Why do we need to complete them? What goes where? Learn about any updates and changes being made to the diaries (every 5 years). What are the Awards of Excellence and how do members get them?

Funding – Get an update from the 4-H Foundation on current initiatives, needs, and processes. Learn about funding available – club, district, regional, provincial – and how this affects planning and fees. What's the difference between a sponsor and a donor? How are fundraisers approved? And more....

Key Members and Key Leaders – Who are these people? How are they selected? How can they help you? How do you help them?

Select-a-session 2 & 3 (~3 hours)

Leader Level 1 – Done this on-line? Have no idea what this is? Did you know that this is a requirement of the leader screening process? New leaders have one year to complete this course – on-line, face-to-face, or both (they are quite different). It can also be a great refresher for those who have been leaders for a while. 4-H changes slowly in some cases but it has changed a great deal over the past 20 years. Experienced leaders also had to the discussion with their experience.

Select-a-session 2

Committees, constitutions/by-laws/policies/rules, and executives – Understanding the roles of committees and executive councils can improve your meetings. Having the supporting rules in place to facilitate their smooth operation makes the entire organization stronger. Come learn a bit about how to help make this reality.

Beyond the Club – Ever wonder what CIT and AIM are? You've heard about Club Week and Provincial Judging but do you understand what they are and how to get there? How about Regional CDM? Maybe you have questions about District Communications. Here's an opportunity to find out what they're all about, how to get involved, and why your members should be encouraged to attend.

Clever Kids – This age group can be incredibly enthusiastic but can also be more than one leader can handle. Come and learn what this project is all about, what is expected of them (and you), and how to ensure that they become valuable, long-term, members of your club.

Select-a-session 3

Communications – Public Speaking. Presentations. Demonstrations. Illustrated Talks. Discussion Meet. Being an M.C. You've heard them all. Communications is a member requirement. What does that really mean? What do you need to make it happen?

Decision Making as a Skill – Whether it is making decisions about animals (aka Judging) or making decisions about consumer products (aka Consumer Decision Making), the ability to make a decision and defend it is an important life skill. Come refresh your skills on teaching members how to do it and your own skills in 'marking' it.

Scholarships and Travel – Did you know that 4-H awards over \$157000 in scholarships each year, at all levels? Do you know how members apply? Did you know that you can donate to a fund or set up a 'legacy' scholarship?

Members and leaders also have many opportunities to travel – either through the Selections program (mbrs), an exchange (mbrs & adults), one of 4-H Canada's Going Global opportunities (mbrs), a chaperone opportunity (ldrs), or a conference (mbrs & ldrs). L

What's Happening In The Peace Region

The 2016-17 4-H year is shortly coming to a close and I just want to thank everyone for your patience, knowledge and time over the past year – my first full year of being the Specialist. I had an idea what to expect in this position but it has been so much more and has given me the opportunity to appreciate the program all over again - for what it has done for so many of us and will continue to do in the future. It has been great reconnecting with many of my old 4-H friends, learning about the new projects and watching the next generation start their 4-H careers.

4-H has been a staple in my life since I was 5 years old. From watching enviously over the fence at my cousins with their steers to watching my babysitters with their horses in the local parade then having to sit on the side lines as my brother became a 4-H member. It was hard to sit back so when I turned 8 I knew what I was going to do and since that day 4-H has been a part of my life. Now today I have the opportunity to share my knowledge and love for the program as the Regional Specialist. It is amazing how things come around full circle.

4-H is a wonderful program and it's great that we can celebrate it being 100 years old in our province. Here in the Peace, we are not quite done celebrating this milestone and plans are underway for one more party. On October 21 at the Grimshaw Legion Hall we want to gather everyone who has been touched by 4-H in one way or another and celebrate 4-H Alberta's birthday. Please help spread the word and watch for more information on tickets sales and times in the next few weeks. If you are interested in joining the planning committee please call me at the office.

Thank you Peace Region 4-H for a fantastic year and I wish you all a safe and healthy fall.

What's Happening In The West Central Region

The **Regional Horse Show** was held June 2-4 at Westerner Park in Red Deer. Approximately 175 members competed in the three day show. The stall displays were very creative. A shout out the committee and participants for another successful show!

Bashaw was the home of the **Regional Beef Heifer & Female Show** on June 11th. There were approximately 30 members showing their animals. The day started with marketing, judging and team grooming. Congratulations to the aggregate winners: Junior: Kallista Chessor, East Lacombe Beef Club; Intermediate: Will Bradford, Hazel Dell Beef Club; and Senior: Halley Adams, Hastings Coulee Beef Club.

A shout out to the Central Lacombe Beef Club for their **Grow 4-H Gardening Project**. Our aim was to teach members about the basics of growing their

own food, to demonstrate how the actions of 4-Hers promote sustainable communities and a sustainable environment, and also to have fun. Through monthly workshops, member's projects, our community garden, and county fair achievement day these goals have been accomplished. Our community garden was planted in late May along with sensory herb pots for the patients at the Lacombe Hospital. Workshops have included cooking with rhubarb, weed jeopardy, and salad making. On July 29th during Lacombe Days, the Grow 4-H Project exhibited their plant displays at the Lacombe District 4-H Centennial County Fair. This

event celebrated the centennial of 4-H Alberta with our gardening displays along other 4-H projects from Lacombe, a five class bench show, 4-H history, and an ice cream social. This event was a great opportunity to tell the public about 4-H, as we hosted more than two hundred people throughout the afternoon at the Central Alberta Agriculture Society. As we approach the end of the summer, the members of Grow 4-H have been busy harvesting beets, carrots, onions, and potatoes from our community garden in Lacombe to supply our local food bank. Our project wind-up also took place on August 17th where we worked on garden rehabilitation. Grow 4-H would also like to thank our sponsors: The Government of Canada, Trans Canada, McDonalds Canada, 4-H Canada, Lacombe County, Maxine Noad, Central Alberta Co-op, and the Central Alberta Holstein Club.

Mark your calendar for the **West Central 4-H Region's Centennial Celebration** on September 23! Plans are underway for the Leader Recognition banquet and dance. The Friend of 4-H Award will be presented that evening as well.

YEARS

SINCE 1917

CANADA
4-H Alberta

If someone asks you to take them to your leader, you know what to do!

Introduce them to a 4-H Leader!

4-H Leaders make a difference helping youth make a difference! If you are one of those special individuals who has chosen to be a volunteer 4-H Leader, thank you! You are why 4-H works! 4-H Leaders help build communities and future leaders by providing valuable learning opportunities and mentorship for young people to grow and prosper within safe environments.

As responsible stewards of the 4-H program in Alberta, we all work together to ensure that those safe environments are maintained. Ensuring safety as best we can requires that all 4-H Leaders complete screening every 5 years. All 4-H Leaders in positions of trust within the club, district and or region are required to have current 4-H Leader screening status. A position of trust includes working with 4-H youth, club operations, fellow volunteers and/or finances or being perceived to be in a position of power within the 4-H organization at any level.

Both new and re-screening 4-H Leaders must complete the 4-H Leader Screening online application, online references and mail in criminal record check by December 15, 2017. If delays occur, due to fingerprinting or other reasons, please contact 4-H Council immediately.

4-H Leaders with an "unknown" or "outdated" screening status must always have another leader with them when they are working with 4-H in any way, until they have been successfully screened / re-screened. Non-certified leaders or volunteers must always have a successfully screened leader with them when they are working with 4-H members or in any perceived positions of trust.

Volunteers also play an important role but it is different than that of leader. You can find detailed definitions of both roles at www.4h.ab.ca. Please help us to ensure that 4-H Alberta is providing the safest environment possible for youth and communities to grow and prosper. When you become a leader, complete the screening right away. It is practically painless and we are here to help. Watch for your email that explains the requirements and provides login details. Call 1.877.682.2244 or 780.898.3037. Email leaderscreening@4hab.com.
