

AltaLink and Alberta 4-H – To the Races!

Alberta 4-H was off to the races on Wednesday, July 8, 2009, at the Calgary Stampede's 76th instalment of the organization's hailed Chuckwagon Race series.

Chuckwagon driver Jerry Bremner took to the reins in the Alberta 4-H-tarped wagon in Wednesday evening's fifth heat. Despite Jerry crossing the finish line first, he was given a two-second penalty for having two late outriders (clearly these outriders were never Alberta 4-H members!). In official standings, Jerry ended up placing 3rd place in that specific heat, and 14th overall for the day.

The chuckwagon's tarp was donated courtesy of AltaLink, who is an Alberta 4-H Legacy Builder Corporate Partner.

On behalf of Alberta 4-H, thank-you AltaLink, for what was a thrilling ride!

(l to r) Scott Thon, AltaLink President and Chief Executive Officer, and Leigh Clarke, AltaLink Senior Vice President, External Engagement and General Counsel, with the Alberta 4-H chuckwagon tarp in the background.
