

Peace 4-H Region Livestock Ear Tag Order Form

Each year many livestock projects receive a 4-H tag and/or tattoo in addition to their RFID ear tag. This makes them easier to identify during weigh in and load out on Achievement Day. It is not required for market animals, but is preferred by some livestock committees. It is a regional policy that all beef breeding projects receive a tattoo. Please use this form to request your tags, if you are ordering from the regional office. (*Note: the clubs in East County use their own numbering system and do not order through the regional office. Questions about this should be directed to the East County show and sale committee).

CLUB: _____

CONTACT NAME: _____

TELEPHONE: _____

MAILING ADDRESS: _____

E-MAIL ADDRESS: _____

CLUB WEIGH IN DAY: _____

Number of Beef Tags: _____

Number of Sheep Tags : _____

Number of Swine Tags: _____
